## Fall Fashion

This autumn, shoppers can seek out remarkable style and engage with key trends in a personal way. For women, greenery is the central hue for fall. Deep shades of kelly and olive reference the natural world and tones can be mixed and matched effortlessly. Varied textures add interest and dimension, like a snake and crocodile I.N.C. International Concepts pump. For a little more boldness, walk on the wild side with animal prints of every variety. From natural leopard on faux fur coats to neon hues of snake on Bar III dresses, pattern is king of the jungle this season. Try a new twist on plaid with bold color mixes and prints of all sizes, like a tweed Julia Jordan dress or a Vince Camuto plaid top and skirt with just the right hint of neon.

Midi lengths are key in skirts and dresses, like those from Tommy Hilfiger, especially when paired with oversized sweaters. Add some drama to a casual look with a voluminous sleeve or make the ultimate style statement with a Lauren Ralph Lauren head-to-toe plaid suit. Animal prints make marks on everything from handbags to Calvin Klein intimates, while statement earrings approach the trend with tortoiseshell prints. Western accents adorn shoes, hats and saddle bags with buckles, fringe and whipstitch details. Chunky sole sneakers, like those from DKNY, keep any look feeling fresh and new arrivals shoes from Sam Edelman offer something for every style.

In menswear, gray matters this fall. From sleek tailored suiting in windowpane patterns by Tommy Hilfiger to streetwear sets by Ellesse, the head-to-toe monochromatic look is sure to turn heads. For a standout moment, try a silver metallic moto trucker jacket from Michael Kors or an abstract printed trench from Alfani. The modern utility trend also offers new twists on menswear favorites. A military jacket from Levi's is an effortlessly cool take on the trend, while a head-to-toe wine-colored camo suit from I.N.C. International Concepts is the ultimate statement.

## Fall Beauty

Embrace your fearless self this fall and don't be afraid to play with color! Bold and bright eyes are the hottest beauty trend this season. Pack on the pigment with Anastasia Beverly Hills x Jackie Aina Palette or clean beauty brand PÜR's Barbie Endless Possibilities Pressed Pigments Palette. Use the same shade on the lower lash line to amp up the wow factor! On days where you want to up the ante but don't have the time, try the season's hottest lip trend, the flame lip. It's great to wear on its own and make a chic bold statement. Channel your inner French girl with Dior Rouge Dior Lipstick in 080 Red Smile or Chanel Rouge Allure Liquid Powder in 954 Radical. This modern twist on the classic red lip brings orange hues out to play.

The transition into the colder months also brings on new skincare needs and regimens. Macy's has made the task of finding what works best for all skin types easy by offering skincare solutions by concern. Whether it's dryness, dullness, anti-aging, oily skin, dark circles or acne, find the right products to target and remedy issues and help you put your best face forward. Go to a local store or visit our online [Beauty Hub](#) to get pro tips and curated product recommendations that'll keep you confident and radiant in your skin this fall.

## Fall Home and Entertaining

Live La Dolce Vita this fall with pieces designed with the simplicity and craftsmanship of the Italian lifestyle in mind. Tuscan tile-inspired decals and olive branch embossing bring depth to plate settings, quilts and serveware. Terracotta hues, rich blues and vibrant yellows breathe life and authenticity into home decor. Martha Stewart Collection serveware and textiles bring the richness and comfort of the Old World countryside right to your home. Inspired by family-style culture, highlight your hosting skills with an olivewood Lazy Susan or marble wine and cheese pieces from Thirstystone. Set out a cheese board, equipped with a built-in slicer for easy self-serving, or keep guests' wine at temperature all evening with a sleek marbled wine chiller. Achieve the peak Italian lifestyle by recreating the perfect espresso with coffee and espresso machines from Brim and Nespresso. Made for countertop convenience, these modern appliances will transport you to a café in Milan.
