International Concepts geometric, or feather clutch to hold all your prom night essentials. Complement the dress with sparkly hair accessories like a delicate bobby pin set or amp up the jewelry game with a collar necklace that is sure to impress.

Beauty Trends

Express your individuality this prom season with beauty looks that highlight any personal style. For the trendsetter, swipe a pigmented shadow over the lid in a bright color like blue, purple or hot pink. Geometric cat eyes in a variety of bold colors or rich metallics are sure to be the talk of the class. If timeless glam is more your aesthetic, go for Old Hollywood grandeur with the perfect red lip and soft pin-up waves. Lastly, play up your natural beauty with glowy skin or soft pink monochromatic hues on the eyes, lips and cheeks.
